Our Journey

Our Journey

01

Selection and Sorting

Our journey in delivering premium dates begins with the meticulous selection of the finest fruits from our farms.

Each date is manually sorted to uphold the highest quality standards.

Our Journey

02

Packaging

We take great care in packaging our dates, employing innovative methods that adhere to the highest global standards in terms of aesthetics, modernity, and health.

Our Journey

03

Preservation and Refrigeration

The selected dates are stored in state-of-the-art refrigeration facilities to preserve their freshness. Subsequently, they are packaged using cutting-edge technology, ensuring they are presented in optimal condition.

Our Journey

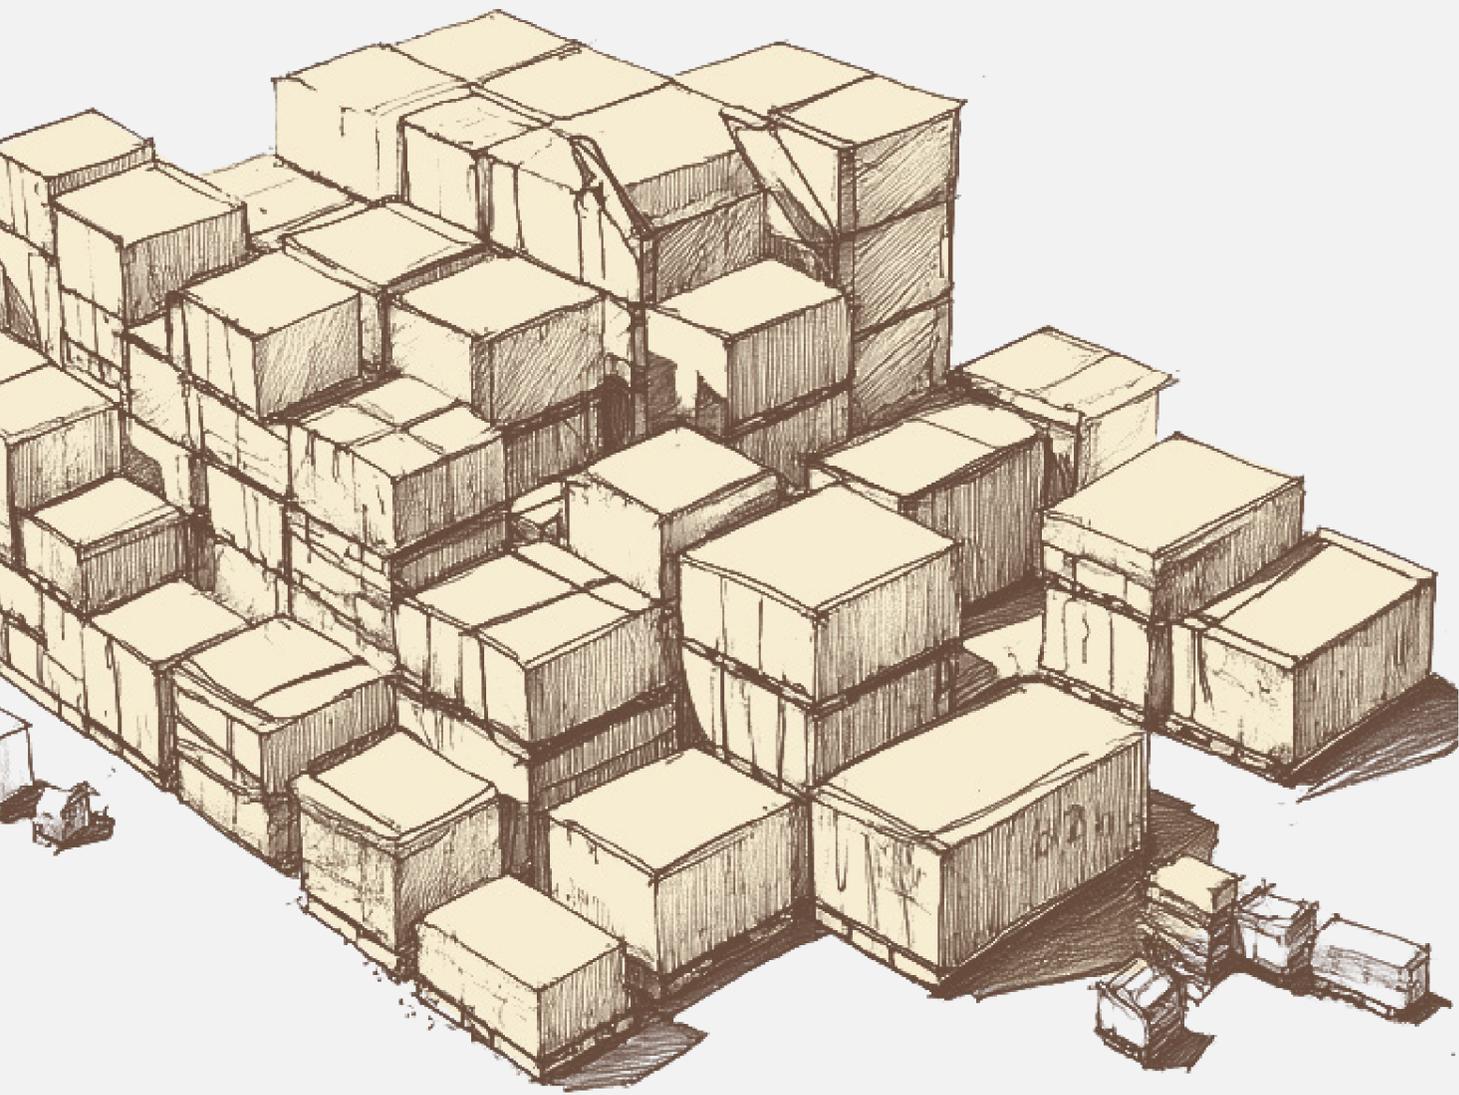

04

Shipping

We place particular emphasis on the shipping process to guarantee that our products reach customers worldwide in the best possible condition.

Our Journey

05

Compliance with Standards

At Saniya Dates, we strictly adhere to all standard specifications throughout every stage of production—from selection to shipping—ensuring that we deliver a product that meets and exceeds our customers' expectations.
